PAYMENT METHOD			
CASH	<input type="checkbox"/>	CHECK	<input type="checkbox"/>
MC	<input type="checkbox"/>	VISA	<input type="checkbox"/>

OFFICE USE ONLY

It is understood and agreed that if the meter hood(s) are not returned by the due date, additional rent will be due immediately and payable at the same rate as the rental rate. Failure to return or loss of the hood(s) within 24 hours of the return date listed above will result in forfeiture of the deposit in addition to the added rental fees.

Meter hoods may not be used to cover a handicap meter or space designated for handicap use only. Such use may result in immediate impoundment and/or ticketing of a vehicle parked at the handicap area, as well as loss of the hood without refund.

The Renter will provide lock(s)/key(s) to secure the hood(s). Only marked company vehicles may park at a hooded meter. In the event that an improper vehicle parks in the space controlled by the rented hood(s), contact EasyPark at 276-7275.

By virtue of signature, the company representative verifies having read, understood, and agreed to the terms of the contract.

AMCR 9.06.001 - Parking meter hoods.

- A. The traffic engineer or his designee shall issue and administer the use of parking meter hoods in accordance with this section.
- B. A person may apply for a parking meter hood by submitting an application to the traffic engineer on a form supplied by the traffic engineer's office.
- C. Parking meter hoods shall be used only for the following purposes:
 - 1. A parking meter hood may be used for a clearly marked commercial vehicle during the time such vehicle is actually being used for business purposes which require that it either remain at a parking meter for an extended period of time or make repeated trips to a particular location during an extended period of time.
 - 2. A parking meter hood may be used for an official government vehicle when it is being used for government business.
 - 3. A parking meter hood may be used to reserve a metered parking space when the traffic engineer determines it to be beneficial to and consistent with the public safety and welfare.
- D. The following fees shall be payable to the municipality at the office of the traffic engineer at the time a parking meter hood is issued:
 - 1. Three dollars and fifty cents for daily parking meter hood rental;
 - 2. Fifty dollars for monthly parking meter hood rental;
 - 3. Five hundred dollars for yearly parking meter hood rental;
 - 4. Twenty-dollar deposit for each parking meter hood issued, refundable upon timely return of the parking meter hood locks and keys in good condition within 24 hours after the expiration of the rental term.
- F. Upon a finding by the traffic engineer, after a hearing held by the traffic engineer or his designee in accordance with Anchorage Municipal Code 3.60, that a person has used a parking meter hood for an unlawful purpose or obtained possession of a parking meter hood based upon misrepresentation of a material fact on his application, the traffic engineer shall revoke that person's authority to use the parking meter hood. A person who has lost his authority to use a parking meter hood pursuant to this section shall not be eligible to apply for a parking meter hood for a period of one year thereafter.
